

DISTRICT BOARD OF TRUSTEES MEETING

September 27, 2014

The first meeting of the 2014-15 District Board of Trustees was held on September 27, 2014 at the Kiwanis District office. Governor Bob Raub presided.

The invocation was provided by Trustee Rev. Ann Graves.

All board members were present except for Trustees Ann Moffitt and Megan Kuffa. Guests included Formula Team Chair Cathy Szymanski, Lt. Governors Lisa Smith, Lt. Governor Tracy Smith and David Szymanski.

The first item of consideration was the appointment of a trustee for Region VII. With the election of Jen Vare to the position of Governor-elect, the position of Region VII is vacant and the board must appoint a replacement. Kate Feryo from the Kiwanis Club of West Chester has submitted a nomination form. After consideration, a motion was made, seconded and approved to appoint Kate Feryo as Region VII until September 30, 2016. See the pages marked 5-8.

At future meetings, board members will be asked to relate a Kiwanis message and/or thought. The order of presenters, starting with the February 1st meeting, will be Keith Smith, Megan Kuffa, Mark Mishinski, Judy Janes, Kate Feryo, Ann Moffitt, Ann Graves, Kevin Thomas, Rick Relyea and Jen Vare.

Membership & New Club Building (See the pages marked 12-24)

Formula Team Chair Cathy Szymanski led a discussion on new club building and membership.

The decision of the Elk County Kiwanis club to surrender its charter was discussed. The club decided to disband because they did not like getting information from Kiwanis and being told they needed to change to adopt to the Kiwanis way.

New clubs in Warrington, Kennett Square and East Norriton Curves are targeted for the first quarter of the administrative year.

Revitalization in Region 2 was discussed. Rebuilding the Bedford club was discussed.

A through discussion on membership was conducted.

A motion was introduced to send a letter to members of Kiwanis clubs that disband/surrender their charter offering them membership in another club; the Formula Team will develop the letter that will be sent out from the District office. The motion was seconded and approved.

Consent Agenda (See the pages marked 9-11 and 25-58)

The items in the consent agenda were approved by proper motion, second and vote.

Discussion and Action items

The situation of the new Pittsburgh Airport Area Club, the Sewickley Club and the Moon Township Key Club was discussed. See the page marked 59. It appears that this situation may work itself out but it is possible that the District may need to intervene in some way.

Club Leadership Education was discussed. See the pages marked 60-61. Mark Mishinski has submitted the application to become the District's master trainer, which is a 3 year commitment. Discussion centered on the training which took place and what needs to be done moving forward in the future.

Discussion took place centered on the Lt. Governor vacancy in Division 2W. After discussion, a motion was introduced, seconded and approved to combine Divisions 2W and 2E into one Division, Division 2.

Vacancies in Divisions 4, 5, 6 and 8 were discussed. It was proposed that Divisions 4 and 5 be merged. A motion was introduced to merge Divisions 4 and 5 pending feedback from the clubs. The motion was seconded. After further discussion, the motion was tabled.

A meeting will be setup during the week of October 20th to have a meeting in Division 17 to discuss future leadership in the Division.

Regions III and IV will be holding trustee elections at their fall meetings. Region IV has a candidate, Bill Henning from the Kiwanis Club of Bald Eagle and Nittany Valleys. Region III has no candidate; discussion focused on this. A list of potential candidates will be developed and vetted.

2015-16 Lt. Governors were reviewed; see the page marked 62A. Divisions 12N, 13N and 22 have candidates in addition to those listed.

The evaluations and financial report from the 2014 Kiwanis District Convention were reviewed. See the pages marked 67-73.

Fall regional meetings were reviewed.

November 5, 2014 at 8:00 PM was established as a date to have a District Board Conference call to approve the Midwinter Conference agenda/program and budget.

The Investment and Account Balances reports were reviewed. See the pages marked 75-79.

An update was provided on the 2014-15 District Budget and finances. See the page marked 80.

An operating budget for 2014-15 was reviewed and considered. See the page marked 81. The budget was approved as presented by proper motion, second and vote.

A District Board finance committee was appointed to review and make additional budget recommendations. The committee will be chaired by Keith Smith. Jen Vare, Rick Relyea, Bob Raub and Kevin Thomas will be members of the committee.

The 2nd annual District Holiday Party was considered. See the page marked 82. The party was approved as proposed.

A report was provided on the 2013-14 District Super Raffle. After review of the 2013-14 raffle results, the raffle was approved for the 2014-15 year.

The electric choice program with Ambit was discussed. The District is receiving about \$17.00 per month from the program. The program has not gained traction. After discussion, another promotional push will be put together and sent out across the District.

A proposal from Dominion energy to market natural gas to Pennsylvania Kiwanis Members was considered. See the pages marked 89 -90. After discussion, a motion to table the proposal was introduced, seconded and approved.

A proposal to consider increased compensation for the District Executive Director was discussed. The proposal would involve using the District's American Express points and would result in no salary increase. The proposal was approved as submitted.

The District office lease was discussed. The lease expires on September 30, 2015. Notice of intent to renew or not renew has to occur by June 30, 2015. A committee was appointed to study the lease situation and options. The committee will consist of the Bob Raub, Jen Vare, Kevin Thomas, Rick Relyea and Naomi Fredlund. The committee will report at the January 31, 2015 Board meeting and have final recommendations ready by the board meeting on April 18, 2015.

The procedure that the District will need to follow in adopting the new form for District bylaws was discussed. See the page marked 93. The District Laws and Regulations committee chaired by Matt Wise will be in charge of organizing and establishing the procedure to be followed. Everything will need to be finalized by the board meeting on April 21, 2015.

The Key Club District 2015 Convention Budget was considered. See the page marked 94. The budget was approved as presented.

Governor Mark Mishinski reported on the review of the District strategic plan. See the pages marked 95-100. After review, the recommendations in the report were accepted and Governor-elect Jen Vare will lead a committee to implement the changes recommended in the report.

A report was provided on Early Childhood Learning and Development. See the pages marked 101-102.

The request by the Pre K for PA to have the Executive Director serve on the Leadership Council of the Pre K for PA campaign was considered. See the page marked 103. The board approved the request.

A proposed fundraiser involving the Philadelphia 76's was considered. A meeting will be set up with the 76's representative and Bob Raub, Mark Mishinski and Kevin Thomas to explore this program further. The board approved the committee moving forward as long as there was no financial commitment on behalf of the district.

A discussion focused on clubs not submitting the new standard form of club bylaws. See the pages marked 108-110. The laws and regulations committee chaired by Matt Wise will be following up with the clubs that have not submitted the new bylaws.

A discussion took place on the Kiwanis Philadelphia Phillies baseball game. At this time no formal action was taken. A discussion will take place to insure that the information put out on the game does not indicate it is a District event. A discussion will, also, be held about involving the District Foundation as a participant in the 50/50 held at the game.

A discussion took place on the Past District Governors committee and the Past Lt. Governors association. After discussion, a motion was introduced, seconded and approved to no longer provide time on the convention agenda for a meeting of the Past Lt. Governors at the convention.

At the suggestion of Kiwanis International, the District discussed adopting a spousal travel reimbursement policy. After review, the board adopted a policy that the District will not pay for any kind of spouse/partner travel.

Discussion took place on District Awards. After discussion, a committee was appointed to review the awards. That committee will consist of board members Kate Feryo and Megan Kuffa. They will be tasked with reviewing the District awards and making a report at the January 31st District Board meeting.

The District Board considered a request to allow a District Life Membership to be transferred from one member to another. After discussion and consideration, the board determined by proper motion, second and vote to not allow this to happen.

By proper motion, second and vote, it was decided to allow Trustees who are visiting clubs in Divisions with no Lt. Governors to be eligible for the same mileage stipend as are Lt. Governors when they visit clubs in Divisions without Lt. Governors.

The Kiwanis License Plate with the Commonwealth of Pennsylvania was discussed. There has been considerable different information coming from the Department of Transportation regarding how the program works. After discussion, it was decided to test the process with one application before submitting additional applications.

With no further business to discuss, the meeting was adjourned at 3:35 PM. The next meeting is presently scheduled for January 31, 2015 at the Kiwanis District Office.

Respectfully submitted,

Kevin E. Thomas, District Executive Director

***PENNSYLVANIA DISTRICT
KIWANIS INTERNATIONAL***

TRUSTEE CANDIDATE INFORMATION

Kiwanians who have served as a Club President and Lieutenant Governor are eligible to serve as a Trustee provided they are endorsed by their Club and Division and have submitted their Nomination Form to the Pennsylvania Kiwanis District Office on or before March 15.

There is no limit on the number of Trustee candidates that a Club or Division may endorse.

The candidates having met the above criteria are responsible for getting their own information out to the clubs that are in the Region they wish to serve. All expenses incurred will be paid for by the individual candidates and may be done in any manner as long as it is in good taste. Candidates may start their campaigns as soon as they have met the requirements in paragraph one.

Candidates will be elected in Regional meetings held between April 15 and May 15. If there is more than one candidate in the region a vote will be paper ballot. One third of the Clubs in the Region must be present and the majority vote getter is the winner. Each Club may have three (3) delegates. Each candidate will have up to five (5) minutes to speak including the Kiwanian nominating him/her.

A Trustee is making a commitment to serve the Pennsylvania District for a maximum of three (3) consecutive years. A Trustee will serve as the CEO of his/her Region, conduct the Fall & Spring meetings, be responsible for the Governor's official visit, responsible to conduct the election for his/her replacement, and work with the Lieutenant Governors in the region for the success of each Division.

Trustees are also making a commitment to attend a weekend orientation session, four (4) District Board meetings, the District Convention in August and the Midwinter Conference for as long as they continue to be held. Trustees are encouraged to attend the Kiwanis International Convention and District Conventions for Aktion, Circle K and Key Club.

The future of the Pennsylvania District is in the hands of our Governor, our CEO (District Secretary/Treasurer) and you - one of our seven dedicated Trustees. Make the commitment to Serve The Children Of The World through the Pennsylvania Kiwanis District.

Why you want to be a Trustee (100 words or less):

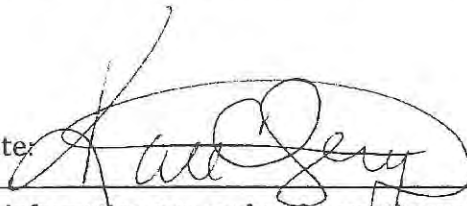

Photo 2x2

It would be my honor to serve Region 7 of the PA District of Kiwanis as Trustee. I appreciate the hard work and dedication the members, officers, and leaders of this great organization have demonstrated over the years I have been involved with Kiwanis. Giving back and taking a turn to fulfill the duties set forth is a necessary obligation in order to continue to grow the service opportunities and support sponsored leadership programs. I am willing to do my part to lend a hand.

The current leadership in the district including the Governor, Governor-Elect, Immediate Past Governor, trustees from other region, and the current Lt. Governors of Region 7 are an exceptional group of people; like-minded individuals working towards a common good. It would be a pleasure to serve with them.

I have been an educator for the past 20 years working in a variety of capacities including working with young pre-school age children, elementary age children, children on the autism spectrum, and currently in a liaison position which is a unique role supporting both teachers and students while also providing direct support to the supervisor of special education. I'm lucky enough to work for the school district in the community where I live. I have served as adjunct faculty for undergraduate level courses (in person and online) with Eastern University. I am familiar with a variety of resources including Chester County Intermediate Unit, local libraries, Children & Youth, the foster care system, and other organizations affiliated with children with disabilities. I'm also the mother of two young children. I believe I have a legitimate perspective on issues related to "serving the children of the world". In addition to the Eliminate project, I believe that early childhood education initiatives, YCP1, SLP, and Key Leader are some of the most powerful and effective avenues for Kiwanians to make a difference and would love to promote those initiatives throughout the region.

BENV

They are still having great success with their Open Houses for prospective members...just gained 3 in the last two months...

The Membership committee, with the suggestion of a new member, has slated a list of "social events" from now until end of December...In August, they went to the Ice Shack, this month is a picnic at Long Run Park, October is Oktoberfest at Matt's house...November is Dinner out, and December will be a wine tasting Christmas party. They are doing a Health and Safety Fair on October 4...partnering with Kmart. November is the 5k/10k for Eliminate...somewhere in between they will have a food drive. They are very excited for the upcoming year and all the possibility's it offers with the 100 year anniversary party.

Lancaster

They still continue working with the Boys & Girls Club and raising money for the Eliminate Project, completing their goal to be a Model Club

They do a lot of reading and working with the public library.

They also recycled the equivalent of a 39-ft tall stack of magazines and other glossy paper as well as a large number of soda can tabs with proceeds going to the Hershey Ronald McDonald Home. They truly love their service projects.

Greencastle

I was somewhat concerned about Greencastle and Don Smith contacted them a couple of times with little success. Laura and Brian approached me at convention and said we need help, we want to grow our membership. I contacted Stef and asked if she would mind following up with them. Stef and a couple of other Kiwanians met with Laura and Brian and Stef says it sounds like they are on track with the service projects they are doing, but their membership is slow to make decisions. They are going to have their members complete a membership survey and then reorganize based on the feedback. I suggested that they take the approaching New Year as an opportunity to lay out their goals for the year - including new members and community impact. It was very productive and I agreed to continue to counsel them as they move forward. They found officer training helpful as well.

Elk County

This is a very interesting group of Kiwanians. Kevin Thomas, David and I were at their meeting this past month to talk about Early Learning and what they can do to help promote and perhaps have a forum or something to educate their community. I was shocked that they had a man at their meeting. He has been to two meetings and participated in a service project so they are going to give him an application to fill out and have him join. I spoke to him and he definitely wants to join their club. He is new to the area and believes this is the best service club to join, he wants to do service. They raised close to \$2000 on sub sales and donated all of the monies to causes in the community. They continue to help out where needed in the community. They did say the one thing they learned from their sub sale is next year when they do it, they will tell the Rotary club if they want to have Kiwanis help at projects they have to help deliver and make the subs. I am very certain the Rotary will not argue.

After the meeting we were told they are thinking about doing something with Early Learning and will be getting back to us, they are just not sure exactly what it would be. Kevin did a great job with his presentation considering this was unlike any he has given so far.

I keep reminding them that they will be coming to Erie 2015 convention and they have agreed they need to come. I am hoping to get a couple to attend Mid-Winter this year too.

e-Kiwanis

eKiwanis is struggling with membership and grabbing alumni attention. They do have a "secret ingredient" we are hoping to try very soon that was discussed at the last meeting. This group does service after service project. They are truly all about seeing what they can do and have a certain project they like to focus on every month. They hope to become the outlet for SLP members trying to find just the right home for Kiwanis.

Montoursville

What a great group of members that were formed around their Key Club. They work so closely with the Key Club and the school and are there for whatever needs to be done.

They are working hard at organizing the Fall Fest. This is a festival that used to be in their community many years ago and this Kiwanis Club is bringing it back to the community.

Nittany

I received the following information from Ann Graves:

President Bill Frantz has been under a lot of stress lately. His house was seriously vandalized in the middle of the night back in August, and he and his wife were at home at the time! Broken windows, truck damaged, paint on front door, etc. Police seem to have no suspects in mind so far.

They are co-sponsoring with the State College Club a breakfast on October 2 at the Penn Stater that highlights PreK for PA. Bill is co-chair of this group for Centre region. They have also joined the local Chamber of Commerce and are hoping that will help them make more contacts. They've done their child abuse education and background check policy and are getting geared up for another year shortly. I am concerned that they may lose a couple of members and have not gotten any new ones lately. I'll be working with them on this concern. I know that my husband (Mr. Ann!) is planning to remain a dual member there as well as a couple of other from the State College club. They seem to be going fairly well, but are looking for more direction for their activities. They also had another ice cream "social" at the North Atherton St. Wal-Mart this summer. One of the issues for Bill has been his Wal-Mart "boss" has taken him to task for using "his" store for Kiwanis events (conflict of interest), so his colleague (also a Kiwanis member) at the other store served as the location for the ice-cream event this year. A group of club members also attended a local Spikes (prof. baseball team) together in August. Ann

THE FORMULA

Formula Report to District Board September 2014

Region 1

- Cochranon is a small town that has a Key Club. One of our Formula Team members from the Meadville Kiwanis Club has suggested we look into this area he has quite a few contacts there. I am hoping this can be done first quarter of the Kiwanis year.
- We are looking at a club in Smethport, this is going to be a long process due to the area and the need for people to help. The Kiwanis Club of Bradford would like to make this happen and get a Key club there.
- Ridgeway – We need the people in the community. We also need to identify a club opener and club counselor in the area to work on this. This will be a process to. Perhaps could be a satellite of Elk County.

Region 3

- Ann is working with a lot of existing clubs on growing their membership and working on plans on how they can grow and do more service in their community's. We have done one Formula presentation to her region and will be doing another one in October. A couple of clubs we have mentioned in region one might end up in region 3 depending on logistics.

Region 4

- Loyalsock Rebuild – We are currently getting ready for a meeting with the Loyalsock Key Club advisor to discuss the possibility of rebuilding a Kiwanis Club in their community to support the Key Club. This meeting should be next week and we will have a better idea at that point.
- South Williamsport Rebuild – Same situation as Loyalsock, but we do not have a meeting set up yet. The incoming LTG would like to see how Loyalsock goes before we get South Williamsport underway.
- The team will be looking at locations in 12N after the Loyalsock and South Williamsport rebuilds are underway. In addition, the counselors will be working with the existing clubs to offer assistance.
- Division 14 has a lot of potential and we need to sit down and revisit the issues.

Region 5

- Reading – Working on meeting with some people in the community and are being supported by the Key Club advisor at the high school. Another meeting is scheduled in October with current Key Club parents and SLP alumni in the area.

Region 6

- Division 17 – all five of the clubs that have less than 15 members have been approached. Walt gave a presentation and left contact information if they want to utilize the assistance of the growth team. Walt also made arrangements to speak at the club meetings of everyone who inquired that they would like more information about the Formula (follow ups from the cards).
- Southampton Club – looking at opening a Club Satellite. They are unable to attract the business community because they meet at night and the folks that work in town don't live in town. They are looking at having them meet in the morning.
- Mohegan Sun – on the back burner, but not off the list.
- Black Mountain: Mike Coolbaugh and Trustee Megan are working on this, the last we have heard is they have 12 members, hopefully we can get this in on the first quarter.

Region 7

- Kennett Square Club – off to a great start. They had several people attend their first Call to Action meeting. They are going to meet at a different location again soon. There is good momentum here.
- Norristown Club – There are seven members ready to go for this. Will probably be one of the first clubs to go at the beginning of next year.
- On Monday, September 22, Jen will be meeting with some folks from Curves and will be starting TWO curves clubs in the facility. The owner is super excited about this, and it should create a lot of momentum in the area.
- Southampton Club – they are looking at starting a Club Satellite. Joe Wilson was working with them on this as incoming Lt. Governor.

The committee has been meeting and is truly excited to be the host of the 2015 convention.

Please make sure you have August 13-16,. 2015 saved for the Erie Convention.

We have one sponsor for \$500 so far and have sold quite a few dinghy buttons. We would love to sell several more and are drawing winners regularly. Remember the

grand prize is your money back and a free night at the Sheraton. The cost is \$100.00 per button.

We are going to be contacting Kiwanis Clubs about doing ads, it appears that is where a lot of the funds come from for the program. We have also started contacting several businesses for ads.

We have a lot of great ideas, our goal is to help make the convention the absolute best one ever.

- Welcome reception will be at the gorgeous Presque Isle with a picnic and ride around the peninsula.
 - There are bikes and Segway's there for people to take themselves around the peninsula. We are also encouraging people to bring their own bikes also.
- We are working with Stef for another large scale service project. The one we did at our last convention inviting the community in did not work the way we wanted to so we want to go off site and volunteer. Stef is working with our Circle K Governor on a project
- Celebrate Erie is happening the same weekend as our convention. This is a huge party in Erie that typically includes free concerts of some very awesome artists, and a great carnival atmosphere
- We are very excited about the response we got at convention to pick tours for Erie 2015, it appears we will be doing the wine tour once again.

Save The Date: August 13-16,. 2015

DISTRICT BOARD OF TRUSTEES MEETING

July 12, 2014

The fourth meeting of the 2013-14 District Board of Trustees was held on July 12, 2014 at Citizens Bank Stadium, Philadelphia, PA. Governor Mark Mishinski presided.

The invocation was provided by Governor Mark Mishinski

All board members were present except for Immediate Past Governor Bruce Eberly and Trustees Al Gesler and Ann Graves. Guests included David Szymanski and Past Governor and Membership Growth Chair Cathy Szymanski and Lt. Governors Tracy Smith and Bonnie Houpt.

Membership & New Club Building (See the pages marked 3-14)

A report was provided on clubs built in the 2012-13 year. The challenges of the Greencastle and Lancaster clubs were discussed.

The Centennial e-Kiwanis was discussed and reviewed.

The Pittsburgh Airport Area Kiwanis club will hold its charter night on August 5, 2014.

The Liberty club has its charter tentatively scheduled for September 16, 2014. They chartered with 20 members and are now up to 25 members.

The new club effort in Warrington is slated for an organizational meeting on September 24, 2014. Efforts for a new club at Shannondell were discussed. Back Mountain has 11 potential members with an informational meeting tentatively scheduled on July 24th. Mohegan Sun as a company club was discussed.

A discussion was held on how to handle checks for a new Kiwanis club. A procedure will be written up by Cathy Szymanski.

New clubs in Bedford, Renovo, Cranberry Township, Cochranon, Reading, South Williamsport and Loyalsock Township were discussed.

A discussion centered on what was needed to do to insure the District has growth on the 2013-14 year. After discussion, it was agreed we would need at least net growth of 232 members to have growth in the District.

Consent Agenda (See the pages marked 15-26 and 28-58)

The consent agenda items were approved by the board except for the Executive Director's report which was moved to the action area by a properly received request of Trustee Jen Vare.

Discussion and Action items

The Executive Directors report was discussed, in particular items 2 and 3. (See the page marked 27) After discussion and follow up plans being formulated, the report was approved.

The 2014-15 Circle K District Budget was submitted for approval. It is the pages marked 59 and 60. After review and discussion, the budget was approved as presented.

The 2014-15 Key Club District was submitted for approval. It is the page marked 61. After review and discussion, the budget was approved as presented.

The 2013-14 Kiwanis District budget was reviewed. It is the page marked 62.

The investment/reserve and account balance reports were reviewed. It is the page marked 63-68.

Ambit Energy program was discussed. Discussion took place on the ways to better promote and enhance the program. A stronger hands on, personal sales approach is needed. A forum will be organized at the convention to highlight the program.

A report was provided on the Super Raffle fundraiser. It is the page marked 69.

No progress has been made on the Community Aid and Unclaimed property fundraisers.

A discussion was held on the A+ Affiliate program; see the pages marked 69E and 69F. A design was submitted for the District Board's consideration for a District shirt. The design for the shirt was approved and a program will be setup to get the shirt ready for the District Convention.

Information was provided on the mixed bag fundraising program. See the pages marked 69B to 69D. After review and discussion and by proper motion, second and vote, participation in the program was approved.

A review was conducted on clubs not submitting a 2014-15 Election Report.

Vacant 2014-15 Lt. Governor positions were reviewed. See the pages marked 73 and 74. In effort to find leadership for Division 17, a Division meeting will be scheduled.

A discussion was held on Andrea Cuda of the Kiwanis Club of Sheridan serving as Lt. Governor for Division 5 for the 2014-15 year. See the page marked 75-76. After discussion, a plan was formulated to address the concerns about Andrea not having served as a Kiwanis club president so she can serve as Lt. Governor. A discussion will, also, be held about and with a potential candidate for Division 6.

By proper motion, second and after discussion, Ann Moffitt was appointed Region V Trustee for the term of October 1, 2014 to September 30, 2017 since no official election could be held.

In the event that Region VII Trustee Jen Vare is elected Governor-elect for 2014-15, a procedure to fill the Trustee vacancy that election will create was discussed and determined. Candidates will be solicited by a letter sent to club leaders on Monday, August 25th. Candidates will need to submit their application to the District office by September 20th. Candidates will be invited to the board meeting on September 27th and the board will select a Trustee for Region VII as the first item on the agenda and the new Trustee will be able to vote and participate as a full voting board member.

Information was provided on the District Convention. See the pages marked 84A-84F. District Executive Director Kevin Thomas indicated to the board he has some concern about hotel attrition in the event we do not pick up enough hotel sleeping rooms.

A discussion was held on club officer training. After discussion, Trustees were instructed to implement the live training sessions as best they are able given the training challenges we have encountered this year. Governor Mark Mishinski will send training information to all Region Trustees and facilitators.

Information was provided on Fall Region Meetings and the Governor's official visit. See the page marked 88. Those regions without established dates were urged to establish them as soon as possible.

Information was provided on the District Foundation Nominating Committee. See the Page marked 91.

An update was provided on our work in the area of Early Childhood Development. It was indicated the District Foundation board of directors has approved funding for 20,000 additional guides. A letter of appreciation will be written on behalf of the District thanking the Foundation for its unwavering support of the guide program.

A Pennsylvania State license plate for Kiwanis was discussed. See the pages marked 95 and 96. After consideration, a motion was introduced and second to have the District Executive Director get in touch with PennDOT to get the appropriate

application and make it available to interested Kiwanians. This motion was removed from the table after discussion to allow for the collection of more information that will be shared with the board members. A conference call with Trustees and Lt. Governors is scheduled for August 6th and board will stay on after that call to consider the program further.

A request has been received to allow Region VI to house its treasury with the District. Presently, it is housed with a club and the Region cannot setup its own bank account. After discussion and consideration, the District declined this request.

100th anniversary activities were discussed for Kiwanis International and for the Pennsylvania District. Governor-elect Bob Raub will be appointing a District committee to promote and maximize participation in the 100th anniversary of the Kiwanis Club of Detroit and Kiwanis International. The District Board, at its April meeting, appointed a committee, consisting of Trustees Megan Kuffa and Jen Vare, to work on planning special events and promotion for the 100th Anniversary Convention of the Pennsylvania District in 2017 and the 100th Anniversary of the Kiwanis Club of Pittsburgh.

The District's strategic plan was discussed. No review or action has taken place since the last board meeting on the plan.

With no further action to discuss the meeting was adjourned at 4:02 PM.

Respectfully submitted,

Kevin E. Thomas, District Executive Director

Dear Pennsylvania Kiwanis Board:

First of all, I would like to congratulate all of you on holding such a successful District Convention in August. From our first ever Pennsylvania District Large-Scale Service Project to every General Session and Forum, the energy at this year's Pennsylvania Kiwanis DCON was unparalleled. Each and every forum was well-planned and -thought-out, and for that I applaud you and your planning committee. In addition, I would like to thank all of you for welcoming my contingency of board members and myself to your convention. I believe that I speak for all of us when I say that we had a fantastic weekend and met numerous wonderful Kiwanians that we will now be able to collaborate with this year.

On the Key Club side of things, at our August Board Meeting, we began the early planning stages of our District Convention, to be held March 6-8 at the Hershey Lodge in Hershey, PA. It was decided that the theme of our Convention is to be the Olympics. This year, we would like to strongly emphasize both this theme and fundraising for the Eliminate Project leading up to and throughout the Convention. Our annual Convention Mailing should be in the hands of club advisors before Thanksgiving Break so that clubs have time to make provisions with their school districts to attend.

Finally, I would like to thank you all once again for all of your support to our district's Key Clubs. We appreciate all that you do for us. If you have any additional questions or concerns for me to address, please do not hesitate to contact me by e-mail or phone using the information listed below. Hope to hear from you soon!

Yours in Friendship and Service,

Elissa Hill

Dear Pennsylvania Kiwanis Board Members,

I hope all of you are doing well. I regret not being able to attend your board meeting today, as I am too busy with schoolwork. I wish the incoming board members the best of luck with your term. I had the opportunity to meet most of you at the Convention, but I hope to meet all of you and learn how to strengthen the relationship between Kiwanis Clubs and Circle K Clubs. Please reach out to me if you have any ideas or concerns regarding Circle K. And as a side note, for those of you who stopped by our table at the Kiwanis Convention and made a donation to Eliminate for a cookie, we were able to raise about \$30, so thank you!! As always, please invite me to your club events! Below I have outlined some of our events since your last board meeting.

- **Circle K International Leadership Academy**
 - In the last Circle K update, I informed you that three members applied to attend, Kacy Reece of Susquehanna University, Amanda Ferster of Lycoming College and myself- Heather Christensen of Mercyhurst University. All three of us were able to attend the six-day program, and it was life changing for all of us. We learned so much about ourselves, how to be better leaders, how to work with others better, and we made 70 new best friends from all over the world in the Circle K family. I am hoping that our excitement about the event that we have shared with others will encourage more attendance next year.
- **Fall Training Conferences**
 - The Circle K District Board and myself hosted two training conferences for our club officers and general members. This year we really mixed things up by offering nine workshops to make sure that members can be educated on the many aspects of Circle K! On Sept 13th we were at Duquesne University, and this past weekend we were at Drexel University. We offer training on each side of the state so that members don't have to drive as far. In total there were 61 members in attendance from 16 clubs! I would like to take a moment to thank the PA Kiwanis Foundation as they granted Circle K with money to go towards leadership. We were able to use that money to provide the members with manuals that the board and I created. These manuals included everything we know about Circle K so that members can be better educated to improve the success of their clubs. These manuals will be on our website soon, so please take a look at them!
- **InterPACK!: Save the date in your calendars now!**
 - Location: Hidden Valley Scout Reservation in Loysville PA
 - Date: November 14-16, 2014
 - Price: \$35 for the whole weekend, or \$25 for Saturday only. Registration includes lodging, meals, snacks and a t-shirt!
 - InterPACK is the definition of Circle K. Members come together for a weekend of fun, fellowship and of course service! We are limited on space this year as we are sharing the camp with other groups, but we will be able to host 72

Circle K'ers. We would love to have Kiwanis Members join us for some off site service. Our plan is to go into the city of Carlisle from 1:30-4:00 to do service. If you and your club are interested in attending please register online for the one-day option. The link to register: interpack.eventzilla.net.

- **Giant Card Fundraiser**

- Don't forget that Circle K is selling Giant Cards all year long. This is an easy way that you can support Circle K without having to do anything other than purchase your groceries! Cards come in \$50 or \$100, and we need at least \$500 to place an order.
- To see when we will order next follow this link:
<https://docs.google.com/document/d/1ywYlpfgZ-9psBIBnMHnKPwdGDWdgky1-VdAw8RuYyms/edit?usp=sharing>
- To order cards follow this link:
https://docs.google.com/forms/d/15OtNA51yz7Lb3-rPqU9c21uMmPAPVz1fPdC9G6vz3lg/viewform?usp=send_form

Thank you so much for your time. Please let me know if you need further clarification of our District Events. Please remember to reach out to the Circle K Clubs, as they would love to do a service project with you! Together we can change the world!

Pennsylvania Kiwanis Foundation

Foundation Report to the District Board
September 22, 2014

It is with great honor that I submit to you my first report as President of the Pennsylvania Kiwanis Foundation. I am proud to share with you the 2014-15 board members:

President: Ben Osterhout
 Vice-President: Kristina Badali
 Secretary: Maureen Gallo, *ex officio*

The Foundation board met on September 20, 2014, and approved our 2014-15 budget. Here are some of the highlights:

- Budgeted for printing 30,000 early learning guides, at an average cost of 75-cents per piece.
- Approved \$26,000 in scholarships for Circle K and Key Club members.
- Approved 80-\$75 scholarships (totaling \$6,000) for students to attend Key Leader at Camp Conrad Weiser in April 2015.
- Approved a new policy that will provide a \$250 grant to new chartered clubs for use in their service account, effective October 1, 2014.
- Approved \$5,000 for Key Club leadership training, and \$3,000 for Circle K leadership training.
- Approved an additional \$25,000 pledge to The Eliminate Project, and to allow the Foundation's \$5,000 2014-15 payment to be used for matching Zeller Fellows.

The Foundation needs the support of all Pennsylvania Kiwanis members. The Foundation cannot continue to provide program support without financial resources. Please encourage clubs and members to make the Pennsylvania Kiwanis Foundation a philanthropic priority.

If I can be of any assistance, please do not hesitate to contact me at benosterhout@pakiwanis.org.

Ben Osterhout
 President

The committee has been meeting and is truly excited to be the host of the 2015 convention.

Please make sure you have August 13-16,. 2015 saved for the Erie Convention.

We have one sponsor for \$500 so far and have sold quite a few dinghy buttons. We would love to sell several more and are drawing winners regularly. Remember the

grand prize is your money back and a free night at the Sheraton. The cost is \$100.00 per button.

We are going to be contacting Kiwanis Clubs about doing ads, it appears that is where a lot of the funds come from for the program. We have also started contacting several businesses for ads.

We have a lot of great ideas, our goal is to help make the convention the absolute best one ever.

- Welcome reception will be at the gorgeous Presque Isle with a picnic and ride around the peninsula.
 - There are bikes and Segway's there for people to take themselves around the peninsula. We are also encouraging people to bring their own bikes also.
- We are working with Stef for another large scale service project. The one we did at our last convention inviting the community in did not work the way we wanted to so we want to go off site and volunteer. Stef is working with our Circle K Governor on a project
- Celebrate Erie is happening the same weekend as our convention. This is a huge party in Erie that typically includes free concerts of some very awesome artists, and a great carnival atmosphere
- We are very excited about the response we got at convention to pick tours for Erie 2015, it appears we will be doing the wine tour once again.

Good Morning,

Attached is the latest giving report. I just got off the phone with the International Foundation and in the conversation I was told that we are now over \$720,000. Also, we have 18 Pa. Foundation matches left for Zellers (new Zellers only).

The Centennial Award medallion for a gift of \$1,500 will be able to be ordered in October. However, they will not be given out until after the birthday celebration in Detroit in January. Those attending the celebration who have ordered and paid in full will receive it there. Even though all orders for the medallion must be in by June 28, 2015, they can be paid over a 2 year period. As soon as forms are available I will email all of you one. Currently there are no matching funds for the centennial award. If I find a donor willing to give a donation to provide matching funds, I will let you know.

Public Relations/Webmaster Committee Report

Kristina Badali
September 22, 2014

General Updates

For the 2014-15 year, the role of the webmaster has been expanded to include public relations of the district. This includes the development and implementation of a public relations plan including the district's website, social media, and publications as well as to help promote the celebration of the 100th birthday of Kiwanis. In August 2014, I talked with Governor-Elect Bob about his vision and ideas and am working on a draft plan for review by the end of September. This plan will include the establishment of a public relations committee to assist with tasks and responsibilities. Once approved, implementation will begin.

Website Updates

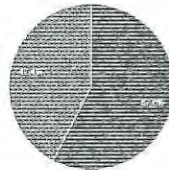

The district website continues to be updated with content and information for members and the public. Main sources of information for the updates have come from the Executive Director, Kiwanis International's website, as well as information sent from district leadership including chairs. E-mails will be sent out by the end of September requesting updates for the 2014-15 year to post. General updates including posting of new district leaders will be completed by the end of September also. As always, if anything needs to be posted, please contact me.

District Chair Report to Board of Trustees Laws and Regulations Committee

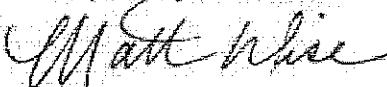

2013-2014 Year End Report

- The chair participated in several consultations with Kiwanis Clubs in Pennsylvania to answer questions regarding club bylaws and policy.
- The chair served on a District Committee to review the proposed Standard Form for District Bylaws in order to provide recommendations to Kiwanis International.
- The committee made all Lieutenant Governors aware that they can feel free to contact us with any questions that may arise in the adoption of new club bylaws, as required by Kiwanis International.
- The chair worked with Executive Director, Kevin Thomas, in preparation of annual resolutions to be presented to the House of Delegates during the 2014 District Convention held in Valley Forge.

2014-2015 Goals

- This year will mark a busy year as the District will be required to update our District Bylaws. Kiwanis International has released the final version that we will use and should be on track to take the steps required to obtain final approval at the House of Delegates during the 2014 District Convention in Erie.
- The chair would like to communicate with all clubs who have not yet updated their bylaws to the new Standard Form and work with them to ensure adoption.
- The committee would like to communicate with the district via quarterly newsletters with laws and regulations information pertaining to clubs.

SLP and Alumni Coordinator's Report to District Board

IMPORTANT UPDATE: SLP Alumni Dues

If Key Club or Circle K Alumni join an existing club or charter a new club, he/she pays the following amounts:

Year 1 \$0 (New member fee & District dues waived)
Year 2 \$24 (International & District dues waived)
Year 3 \$24 (International & District dues waived)

Clubs may elect to assess club dues on these members, but overall, the costs are significantly reduced. Please share this information with clubs.

Coordinator's Activity

I continue to work with clubs on strengthening interactions with their sponsored service leadership programs. I presented a Service Leadership Program workshop at Kiwanis District Convention. I also attending the Circle K Fall Training Conference West and discussed how clubs can better work with their sponsoring Kiwanis clubs.

Alumni received a correspondence regarding joining Circle K, Kiwanis, or e-Kiwanis in late August.

The PA Kiwanis Family Large Scale Service Project (LSSP) will be held on Thursday, August 21. More than 20 members of Kiwanis, Circle K, and Key Club participated. Planning has started for the **2nd Annual LSSP on August 13, 2015**. Please plan on joining us for this service event.

Key Leader Committee Report to District Board

Key Leader will be held at Camp Conrad Weiser on **April 24-26, 2015**.

Registration will open in January and will close on April 10 (or when the camp reaches 80 participants). Key Leader sold out five weeks prior to the event last year. Please encourage clubs to register their students early.

Key Leader Ambassador

The position of Key Leader Ambassador was recently announced by Kiwanis International. Each year, a Key Leader graduate will be appointed to the position by the Key Club District Board. The goal of this position is to increase the visibility of Key Leader throughout Key Clubs, resulting in increased attendance, especially among younger students. The responsibilities of this position will include marketing Key Leader through Pennsylvania Key Club communication channels, distributing material to each Key Club Lt. Governor to promote to their clubs, meeting with the District Key Leader Committee, and submitting a report for each Key Club District Board Meeting.

Ngodoo Zume has been named the Key Leader Ambassador. Ngodoo is currently a senior at Shippensburg Area High School. She attended Key Leader in April 2014. The Key Leader Committee is looking forward to working with Ngodoo. We are confident that she is going to do a great job in her new role!

Financial Guarantee

This year, Kiwanis International is requiring a financial guarantee of those Districts that failed to meet the minimum requirement of 60 student participants last year. As a direct result of the success our April event, the Pennsylvania District was not required to provide a financial guarantee for the 2015 event. If it were necessary for us to provide such a guarantee, there might be an unfunded liability of several thousand dollars that would draw into question our ability to host the event.

Other Committee Activity

We have submitted a request to the Foundation Board to renew the \$75.00 scholarship for each participant. These scholarships were a crucial piece to our success last year.

A Key Leader workshop was hosted at Kiwanis District Convention. Key Leader promotional materials will be included in the fall Kiwanis and Key Club District mailings.

Respectfully submitted,

Key Leader Team

Pa. District Kiwanis International Report Report as of September 22, 2014
Aktion Clubs by Luida Shearer, Administrator

The Pennsylvania District Aktion Club annual convention was held at Laurel Lodge in Altoona on August 2. Five clubs and 25 Aktion Clubbers attended the convention along with a number of advisors and guests, including our Pennsylvania District Kiwanis Governor, Governor Elect, District Executive Director and 2 Circle K members. Governor Mark presented a very motivational program in the afternoon together with his 2 favorite people, Sandy and Oreo, who helped underline the most important point of his presentation - no matter who you are or how small you may be, you are still able to make a difference. All of our members truly enjoyed Gov. Mark's presentation as well as meeting his two friends.

We did attend the prayer breakfast held by the Crawford County Aktion Club in April. It is always a great event to attend along with Kiwanis members from several clubs in their division. Their club is quite active even though they are small and they have great support from their Kiwanis Club.

Award applications have been submitted in the various categories offer by Kiwanis International for Aktion Clubs and all have been judged. The first-place recipients at the district level have been forwarded to KI for judging. Scrapbooks are phenominal - they are huge and cover so many activities it almost makes your head swim. First, second or third place certificates have been sent to the clubs and members who submitted award entries and we will know some time in October if any of our first-place entires were given a first place at the International level.

We are facing a problem with one of our clubs, Royal Aktion Club in Wexford. Through a new governmental program that is affecting all organizations who support those with disabilities many are facing closure because they do not have their people out in the community enough. It seems that the thinking is all people are employable and we all know that is not always the case.

The Royal members had met at a church as part of a day program but that was not licensed as a day care and they had to shut down. To avoid losing the club entirely they will be meeting at a different location, with a different group, and with the same Kiwanis advisor. This means we will not lose this club and will be able to continue serving those members.

In addition as an outshoot of the situation some of the people who had worked with the Royal Aktion Club are planning to open another Aktion Club with yet another group using the same Kiwanis Club and Kiwanis advisor for support. So through what could have been a great loss, we will actually gain another Aktion Club.

The annual dues for Aktion Club members has increased from \$5 to \$8 per year. Even

though this is the first increase since Aktion Club became an official member of the Kiwanis Service Leadership Program in 2000 it remains to be seen just how much this may affect our membership. We hope our Kiwanis Clubs who support our Aktion Clubs will once again support them financially where necessary.

Committee Members:

- Black Diamond Division (Wilkes-Barre/Scranton area): Kelly Shaup
- Colonial Division (Harrisburg area): Vacant
- Keystone Division (State College area): Vacant
- Liberty Division (Philly area): Mariza Shavelle
- Snowbelt Division (Erie area): Cathy Hagadorn
- Three Rivers Division (Pittsburgh area): Kristina Badali

Comments regarding committee:

There were tensions and concerns over the summer within the committee as the committee felt that I had not given enough direction to the committee as to what they should be doing. I had taken too much of a “back seat” approach to see what the Circle K District Board was going to do, and the committee expressed their concerns. In many ways in retrospect I agree with their assessment. Since the PA Kiwanis District Convention, which was when we had a very open and honest conversation, I have taken more effort in communicating with the committee and the Circle K board to help keep things on track and in the right direction. We have held 2 phone conferences since then as well as communicated via email to assist with planning the events this fall. They have attended at least one Fall Training Conference that was held on their respective sides of the district (there was one held in Pittsburgh and one in Philadelphia).

Concerns/issues:

We have had several members apply and join the board, but because of personal issues (including financial, familial, and medical reasons), 3 have already resigned. Despite multiple attempts to contact another member via phone, text, email, and Facebook by multiple people, we were unable to get any response from the District Treasurer, and he was removed from office by a vote of the District Board.

At this time, we have a board of 6 members: Governor Heather Christensen, Secretary Melissa Campbell, Three Rivers (Pittsburgh) Division LTG Emily Croll, Keystone (State College) LTG Division Aileen Liew, and Liberty (Philadelphia) Division LTG Jackie Briguglio.

Vacant positions: District Treasurer, Snowbelt (Erie) Division LTG, Colonial (Harrisburg) Division LTG, and Black Diamond (Wilkes-Barre/Scranton) Division LTG, in addition to any chairs.

Due to the small size of the board, I feel the board feels overwhelmed with the amount of work that has to be done to maintain the functions of the District. The board needs a lot of support both emotionally, educationally, and to some degree needs assist with the functions of the District. It is with much appreciation that Chair Stef Stamatopoulos and Governor-Elect Jen Vare is helping with leading up the effort to assist InterPACK planning.

Concerns/issues that require District Board action or knowledge:

Over the last couple of months with the way things have gone and with the conversations I have had with multiple people both within Kiwanis and outside of Kiwanis, I have thought a lot about my role as District Chair/Administrator for PA Circle K. I have learned more and more what I don't know as far as “how things should be done”. I feel that there are others who can view the needs of the district much more analytically than I can, and can see things several steps further than I can. I have thought about my leadership style and how it fits in with things. I would say I am a “lead

by example” type of person, leading by “getting my hands dirty” with those I’m working with. In some ways, I feel like I suit the “do here and now” mind set.

Having stated this and by inherent nature of the District Chair/Administrator position, I feel like I may not be the best fit for this position. My first two years in this position, I was enthusiastic about where I wanted things to go with the District. I feel that I was lucky in my first two years that I have had a Circle K Governor who was enthusiastic as well as who was able to take charge in getting things done to keep the District moving. At a point now where we need the District moving forward further with growth in membership and leadership, I feel that someone who is able to have the foresight is better fit for this position than I.

What I have stated above is of course is coming from a place of personal sentiments, but also intellectual thoughts. I will use an analogy of situations that have arisen at work. When departmental leadership roles such as department manager, supervisor, or director have become available, my co-workers would ask if I am interested in the position. My usual response for years is that I do not want the position because I “don’t want to be in charge”. I feel more comfortable working under the direction of someone else. Applying this to Kiwanis and Circle K, I have asked myself that if I don’t feel comfortable leading a department at work, why am I leading the PA District of Circle K?

To ease any concerns, I will finish out this administrative year and will continue in this role for as long as needed, and also still do the best that I can with the help of the Kiwanis Committee for PA Circle K, but I suggest that the Kiwanis Board begin looking for someone who is able to effectively see and execute a long term plan for growth for the PA District of Circle K.

Important Events/Dates with description:

- Friday, November 14, 2015 – Sunday, November 16, 2015: PA Circle K District Fall Event “InterPACK” at Camp Hidden Valley in Loysville
- Friday, March 27, 2015 – Sunday, March 29, 2015: PA Circle K District Convention at the Doubletree Hotel in Monroeville, PA

Assessment of District Officers:

Please see above.

Additional information/comments:

Nothing further to add. I feel I have expressed everything as stated above.

Trustee Board Reporting Form

Name:	Judith Janes
Region:	One
Divisions:	One, Two-East and Two-West
Lieutenant Governors:	Div. One: Cathy Durner, Bradford, with 13 Clubs Div. Two-East: Bruce Peterson with 4 Clubs Div. Two-West: No LTG for 7 Clubs

Describe your region new club building activities:

All time is currently being spent, meeting and evaluating Clubs in Div. 2-West and covering for the lack of an LTG. Roger and I are also Club Builders/Counselors for FORMULA for Div. 2-W.

Cochranton is on the list for consideration for a new club in Division One.

Describe your region activities to support and strengthen existing clubs:

Roger and I are meeting with Clubs in Div. 2-W and discussing the FORMULA. We recently presented the FORMULA/Membership growth to the Greenville Club members . Very interested. We are scheduled at the Meadville Club for Oct. 6.

October 10 is our Fall Region One Meeting with Lanton Lee discussing the FORMULA and Club Building.

Describe education activities in your region:

Training for new club officers will be offered in October.

What is your region doing to support youth/SLP:

Almost every Club in Region One sponsors at least one SLP, most offer several. Bradford and Meadville are very involved with Early Child Development and additional Clubs are showing interest; i.e. Erie East, Erie and Greenville. Meadville Satellite Club is planning to initiate a BUG program. Most clubs are active in Young Child Priority One programs.

What should the board be aware of in your region

Division 2-West does not have an LTG for 2014-2015.
Possible Solution:
 Temporary coverage for Officer Installations by LTG's from Division 2-East, Division One and past LTG, Division 2-West.

Continue to search for interested/qualified LTG in 2-West.

Possibility of combining 2-East and 2-West. 2-East has an LTG with only 4 clubs. There are 7 clubs in 2-West. Geographically feasible since farthest distance is approx. 65 miles. Bruce Peterson, 2-East LTG, is interested. (Will be discussing further with Bruce prior to Board Meeting.) Needs Board approval.

Possibility of losing Clarion/Allegheny Club, Div. 2-East. Bruce Peterson working with issue.

Trustee Board Reporting Form

Name:	Ann Graves	September 18, 2014
Region:	3	
Divisions:	10, 11E, 11W	
Lieutenant Governors:	10 – Shirley Smith; 1E – Kathryn Mackes; 11W – Rick Kistler	

1. Describe your region new club building activities:

The Nittany Club in State College was built 2 years ago and continues to have strong leadership and is meeting regularly. They are currently co-sponsoring a PreK for PA breakfast for local Chamber of Commerce members at Celebration Hall on Oct. 7.

2. Describe your region activities to support and strengthen existing clubs:

I have spent considerable time working with folks on the Bedford Club. They want to be re-vitalized – they are down to about 2 active members. I have met with them twice, along with Fred Smith, Lt. Gov. for Div. 10. Kevin Thomas and Gov. Mark also were helpful at our initial meeting. A planned recruitment day had to be postponed and will be re-scheduled in October. The president has put together a nice brochure and checked local Chamber of Commerce businesses that might be visited. We're working on checking with the Key Club at Bedford High School. Right now, I'm making that my first priority for the next year.

3. Describe education activities in your region:

Word has been disseminated that local club officers need to do the on-line training available for this year. I was unable to schedule an in-person training this year.

4. What is your region doing to support youth/SLP?

Nothing different than previous reports have indicated. I am delighted that the Aktion Club member of the year is from the State College Club.

5. What should the board be aware of in your region?

I am really frustrated in trying to find a trustee candidate, as my term will be up at the end of this coming year. I am also disappointed in the low participation in Div. 11W and 10 in the Eliminate program. I am finding it to be a disadvantage to be at a distance from most of the clubs in Division 10. There needs to be some serious leadership changes there, but I see nothing happening with that anytime soon. Please continue to keep Shirley Smith – Lt. Gov., Div. 10 this year, and wife of Fred Smith, Lt. Gov. next year. She is not doing well at this point.

6. Other information for the Board:

I met with the Lt. Gov. back in August to do some planning for the Fall Region 3 meeting, which is scheduled for October 19, 4 pm. at Laurel Lodge in Duncansville. Cathy Szymanski will be the featured presenter on The Formula. This will be the official Governor's visit for Gov. Bob Raub, and he will be speaking after dinner.

Trustee Board Reporting Form

Name:	Richard J. Relyea	September 27, 2014
Region:	4	
Divisions:	12 North, 12 South, 14	
Lieutenant Governors:	12 North: 2013-14: Linda Prior & Cindi McCarty; 2014-15: Ms. McCarty & Michael Haven 12 South: 2013-14: Donald Ulrich; 2014-15: Shirley McPherrin 14: 2013-14 and 2014-15: Paige and Allan Michael	

1. Describe your region new club building activities:

12 North: The eKiwanis 2.0 club continues to function well. The Liberty Kiwanis Club had their Charter Night September 16, 2014. They appear to be on their way to being a successful club. All Region 4 Lieutenant Governors seek new club possibilities, including promoting them at Division and Region interclubs and conferences.

2. Describe your region activities to support and strengthen existing clubs:

The Division 12N LTGs continue to do well at encouraging and strengthening their clubs, as shown by their membership growth over the past several months. They are, however, losing the Loyalsock Club, which seeks to surrender its charter. 12S LTG Don Ulrich continues in constant touch with his clubs, by club visits and frequent messages and division news. 2014-15 12S LTG Shirley McPherrin has already scheduled her first division meeting. 14 LTGs Paige and Allan Michael are serving for another year, and are trying to find ways to help 14's smallest and most struggling clubs grow. All Region 4 LTGs recognize that there are clubs in their divisions that are in trouble, especially with low and declining membership, including several that are below charter strength.

3. Describe education activities in your region:

Region 4 had a very successful live CLE Workshop in Lewisburg July 26, 2014. 12S LTG Don Ulrich (Presidents) and 12S LTG-Elect Shirley McPherrin (Secretaries and Treasurers) facilitated the sessions, with excellent support from Governor Mark. 2014-15 club officers were encouraged to complete their online CLE training by the end of June. The 2014 CLE materials have been or are being distributed to all Region 4 clubs.

See Paragraph 5 below concerning the Region 4 Fall Conference.

4. What is your region doing to support youth/SLP?

Kiwanis Clubs' relationships with their sponsored SLPs are receiving substantial emphasis in the PA District, but there needs to be more emphasis in Region 4 on improving these relationships. Some clubs, but not enough, have good relationships with their SLPs. Many clubs need encouraging and direction in developing and maintaining those relationships. Some clubs invite Key Club and Circle K members to their division inter-clubs; this needs to happen more. Buffalo Valley AM Kiwanis is involved in Camp SETEBAID, a summer experience for children with diabetes; it was held August 10-16, 2014, and by all accounts was quite successful. Mifflinburg Kiwanis joins with their Key Club in their semi-annual highway cleanup, and will again, probably in October, 2014. Mifflinburg continues its program of members reading to young children.

A former Builders Club Advisor in Sayre PA has offered to start such a club in a school in that area. 12N Co-LTG Mike Haven is following up with The Valley, Athens Kiwanis Club.

43

5. What should the board be aware of in your region?

Division 12N will host a Joint Officer Induction Ceremony for all interested Kiwanis Clubs in Williamsport on October 2, 2014. The ceremony will be in conjunction with a "Murder Mystery Dinner". Last year's ceremony aboard the river boat "Hiawatha" was a great success.

The Region 4 Fall Conference will be held October 4, 2014, at the Foss Home at Geisinger Medical Center in Danville. Our guest speaker will be Buffalo Valley AM Kiwanis member Mark Moyer, Executive Director of SETABAID Services in Winfield PA; see Paragraph 4 above. Other speakers will include Past District Governor Ethan McBeth, who will speak on the Eliminate Project; District Governor Bob Raub, who will deliver his Governor's Message; and PA District Executive Director Kevin Thomas, who will speak on District and International administrative requirements and highlights.

Division 12 North continues to operate successfully in its structure of two sub-divisions.

Division 12 South will hold its annual Kisses For Kids, to benefit the Children's Miracle Network at Geisinger, at the Susquehanna Valley Mall in Selinsgrove, the weekend of February 13-15, 2015.

6. Other information for the Board:

Division 12 North's system of electing co-lieutenant governors for alternating two-year terms seems to be working well. Under that system a new co-LTG always works with an experienced co-LTG.

Division 12 South's combined Inter-Clubs continue to work well. The events provide for better attended and more valuable and enjoyable experiences.

Dalmatia Kiwanis celebrated its 60th anniversary as a Kiwanis Club July 17, 2014, at the Kiwanis Farm in Malta PA.

Trustee Board Reporting Form

Name:	Megan Kuffa
Region:	VI
Divisions:	15, 17, 18
Lieutenant Governors:	15: Mary Anne Maloney-Evans 17: none 18: Jeff Rose

Describe your region new club building activities:

To the best of my knowledge, no progress has yet been made with the establishment of a company club at the Mohegan Sun Casino in Plains, Division 15. Mike Coolbaugh is the point of contact with an employee there. Progress has stalled on the establishment of a Back Mountain Kiwanis Club. Several of the individuals interested initially have expressed their concern that the fall is too busy a time for them to become involved. Efforts will continue to recruit potential members and to coordinate meetings. There has been no new club building activity in Division 18, despite discussions earlier in the year about possible sites. As there is still no Lt. governor in Division 17, there has been no new club building activity.

Describe your region activities to support and strengthen existing clubs:

There have been no division council meetings since April in Division 15; however, incoming Lt. Gov. Chris Casciano has planned for a joint installation and division council meeting, inviting all clubs in the division, to be held on October 7th. In Division 18, the Parkland club has surrendered the charter. Through the efforts of incoming Lt. Gov. Phil Weber, three members from Parkland have transferred to the Emmaus Kiwanis Club. Walt Howell continues to serve as a club counselor and point of contact in Division 17 in the absence of a Lt. governor.

Describe education activities in your region:

Club leadership guides have been distributed, and the CLE workshop will be held during the fall regional meeting.

What is your region doing to support youth/SLP:

There will be an SLP workshop at the fall regional meeting, and all clubs will be encouraged to invite and sponsor members from their SLPs to attend. Clubs continue to hold projects and fundraisers in partnership with their SLP members. For example, the Wyoming Area Kiwanis Club volunteers at the Wyoming Area Key Club concession stand during home football games. There is still a concern at the lack of communication between Kiwanis Clubs and Circle K clubs throughout the region. Guidance from the Circle K district administrator and board is welcome.

What should the board be aware of in your region

As per the suggestion made at the July board meeting, I would like to establish a date/time/location for a meeting in Division 17 for the purpose of identifying individuals qualified for and interested in serving as Lt. governor.

Other information for the board

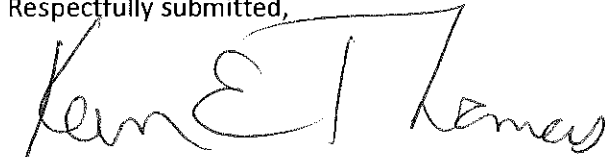

The date for the fall regional meeting and official governor's visit has been selected: Saturday, November 8, 2014. It will be held at Brennan Hall, the University of Scranton, from 8:45 AM to 2:30 PM. The day's activities will focus on the Formula, CLE training, SLPs, Kiwanis' 100th Anniversary, and the Eliminate Project. A service project benefiting Nurse Family Partnership locations throughout Region VI will be conducted. All board members will soon receive the official invitation.

Executive Director's Report – September 27, 2014

1. Attached is my schedule for the period July 1, 2014 to September 30, 2014. I will be pleased to answer questions about any activity. Personal items are blackened off the schedule.
2. I will suggest that I think we should consider conference calls for all Lt. Governors and Trustees every 6 to 8 weeks focusing on growth, motivation, problem solving and conference & convention attendance. We should have one as soon as possible to kick off the year.
3. I want to remind everyone that even though we have "The Formula Team", growth, particularly new club building, is the responsibility of all board members. The years where we have had the greatest success with new club building were the years where we had a lot of involvement by the Trustees, Governor, Governor-elect and Executive Director.
4. Also, your promotion, early registration and support of our Midwinter Conference, District Convention and other events/fundraisers are really vital. We need all board members to be out front and a cheerleader and active participant in everything.
5. Thank you for what each of you do for Kiwanis and for all your work.

Please feel free to call on me any time for assistance and please feel free to utilize Robin for the same.

Immediate Past Governor's Report to the District Board

Since the last board meeting, I attended the Aktion Club District Convention in Duncansville. Luida and Ron Shearer extended an invitation to present a forum to the Aktion Clubbers on the topic of leadership. I was happy to comply with their request. As a matter of fact, my cocker spaniels, Sandy and Oreo, also participated in the presentation with me. Luida continues to do a great job with the Aktion Club members and their advisors. I am always impressed with the heart and compassion the members give toward helping others. Many thanks go to Luida and Ron Shearer for their continued efforts and Barry and Marlene Halbritter for providing the venue to host the district convention.

I would like to extend my sincere congratulations to Region 2 Trustee Keith Smith and former District Growth Chair Jeff Stein for the completion and charter presentation to the Pittsburgh Airport Kiwanis Club in early August. Also, thanks to Governor Bob Raub for presiding over the charter presentation to the club.

Congratulations to all the members of the host planning committee, Kevin Thomas and Robin Cook for their yearlong efforts to bring a memorable district convention to the district in Valley Forge. While the non functioning elevators and some hotel accommodation difficulties did pose a problem with the Radisson Hotel, the planning of the host committee was exceptionally well designed and executed. Thanks to all!

As we moved into September, the membership numbers for the Pennsylvania District continue to reflect positive growth to date. I am cautiously optimistic that we can sustain this positive membership growth for the rest of the administrative year 2013-2014 and into this new year. Thanks to all of the members for going the extra mile to find, recruit and complete the process with so many new Kiwanians.

I was pleased to attend the charter ceremony for the Liberty Kiwanis Club. This club is a shining example for what a partnership with our Key Clubs can be. Special thanks to Key Club Advisor and Kiwanian Mike Munford and the members of the Liberty High School Key Club for all of their efforts to make this club a reality!

I would like to publically express my thanks to Governor Bob Raub for all of his support throughout the administrative year 2013-2014. Bob has been a partner in every sense of the word. He single-handedly built the Centennial Kiwanis Club, provided support in all efforts of the Pennsylvania District, and provided many needed suggestions about all issues Kiwanis. It is my hope that he has a highly successfully year as governor and I pledge my support to him in any way possible. I know the Pennsylvania District is in great hands for 2014-2015

Governor Elect Report to the Board

I am honored to have been elected as the Pennsylvania District of Kiwanis Governor Elect at the Valley Forge District Convention.

Since that time I have been actively involved in numerous phone calls, emails and meetings with district leadership to prepare for the 2014-2015 year.

I have read through the goals of Governor Bob Raub and look forward to working with him, the Board of Directors, Lieutenant Governor Team and the District to accomplish each of the goals as outlined. I will be meeting with Governor Bob to discuss how we will work together this year, how I can support him and the support I will need to begin forming the 2015-2016 team of leaders and chairs. I will be attending Indianapolis for Governor Elect training during the first week in November. Sue Petrisin, 2015-2016 International President, has already begun communicating with the class of Governor Elects, the enthusiasm of the governor elects is contagious and I look forward to meeting each of them in person, learning all of the responsibilities of the role and planning for the future.

Formula and District Growth

- I have had the pleasure to attend two Charter Ceremonies at the Kiwanis Clubs of the Pittsburgh Area Airport and Liberty. I look forward to seeing their membership increase and the services that they will offer to their communities, District and the world.
- Participated in the District Formula conference call
- Co-led 2 information meetings: Warrington and Kennett Square. Both potential clubs have a solid membership base and should be able to organize by the end of this administrative year or during the 1st quarter of 2014-2015.
- Participating in meetings with potential members of Norristown. A date will be set for their first informational meeting during the month of October.
- I am working closely with Cathy Szymanski to determine how we accomplish the goals of 2014-15. Discussions have taken place about club counselors, new club opening and the PA Formula Team. I feel that it is important that we not only make sure the team is working effectively towards the common goal, but we stay motivated through communication. It is extremely important that the positive energy trickles all the way down to the individual members.
- If there is a club, Division or Region that needs my assistance in any membership efforts whether it is counseling an existing club or opening a new club I will make every effort to travel to the location or be of assistance via phone call, email, Facetime, or skype.

Service Leadership Programs

- Participated in a conference call with District Leadership to plan and organize a PA SLP administrator's conference in October. It is crucial for each administrator to communicate with the District Board and one another. Each administrator will have the

opportunity to discuss the strengths of previous years, areas of weakness and share their goals for the upcoming year whether it be a Kiwanis or academic year.

- Working in conjunction with Stef Patounas, I am helping the Circle K Board to organize their Fall InterPACK, a service, leadership and fellowship weekend with an over 20 year history. The Circle K Board originally voted to cancel the InterPACK weekend due to leadership and time constraints. After offering support they have since set goals and feel motivated to move forward with a successful event for all of the PA District CK members.

Eliminate Project

- Honored to become a Walter Zeller Fellow in August
- CoHosted the Eliminate Walk at 2014 District Convention, I am willing to share with clubs the ease of such a small, but powerful fundraiser
- Continue to prompt all clubs to pledge or contribute to Eliminate as I communicate and visit with them

100th Anniversary

- Registered for the celebration in Detroit and encourage other Kiwanis members to do the same
- Asking clubs as how they plan to celebrate their 100th Anniversary
- Working with Trustee Megan Kuffa to plan special events for the PA District 100th Convention in 2017 and the Pittsburgh Clubs 100th Anniversary

Trustee for Region VII

- Actively searched for candidates to fill the vacancy in the position and discussed with the Lt Governors the need for a strong candidate to continue working with their positive team. This incoming Lt Governor team has been working together strongly in so many ways and I look forward to seeing how they flourish during the upcoming year.
- Worked with Education Chair and LtG Bonnie Houpt to have a successful CLE in Region 7 on August 2nd. It was attended and supported by all of the incoming Lt Governors and 29 Kiwanis members, which is a positive increase since 2012 and 2013. The results of the surveys were positive and the members seemed pleased with the information provided.
- As I complete my year as Region VII Trustee I have begun the initial planning for the Region 7 Fall Conference to be held on November 1st. I have set the date and speakers and have sent out Save the Date announcements, but have left the location, time and price to be set by the incoming Trustee as I feel that it is beneficial for he/she to take ownership and personalize the event.

District Convention Erie 2015

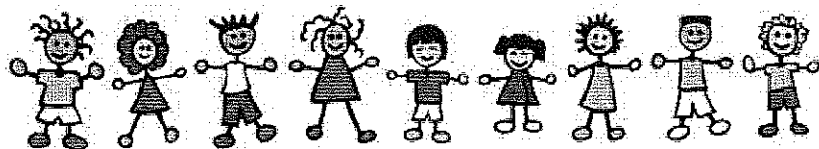

- Have contacted CoChair Cathy Szymanski to be added to the meeting date announcements so that I can assist in the efforts as they plan.

District Finances

- After the successful completion of the Super Raffle 2014, I hope to begin the process for Super Raffle 2015
- Look forward to potentially planning District Holiday Party 2014
- Promoting the sale of Mixed Bag Designs via Facebook, will publicize an email to the district with a shopping link
- Working with Kevin Thomas to see that the District Shirts continue to be sold and that other merchandise through A+ Images, Inc becomes available to the District

Governor's Report to the District Board

As I completed my service to the Pennsylvania District as Governor Elect, the events of the past several months were very convention focused. Only a few days after our last District Board meeting, Judy and I boarded an airplane bound for the 99th Kiwanis International Convention in Chiba, Japan.

The convention experience was wonderful beginning almost immediately upon arrival when Judy and I attended the 2013-2014 Governor Elect Class Dinner. Because of the makeup of membership of Pennsylvania's Centennial eKiwanis Club, the class dinner served as the setting for the Charter presentation to the club. International President Designate John Button presented the charter and was immediately inducted as a charter member of this club along with many other members in attendance. The convention sessions were inspiring and entertaining as well. The host district committee did a wonderful job organizing, planning, and executing the convention. In addition to the new trustees elected at the delegate session, Ms. Sue Petrisin, was elected as International President Elect for the 2014-2015 Kiwanis year. It is quite important to recognize the impact the admission of women made to Kiwanis, particularly the Pennsylvania District over the past 27 years. During our 100th convention next year, a woman will be elected to serve as our International President. There were several housekeeping by-law amendments considered and passed by the House of Delegates to include the passage of an amendment making Director and Officer Liability Insurance as mandatory coverage for clubs currently insured under the Kiwanis General Liability policy.

In early August, I attended the Charter Presentation Dinner of the Kiwanis Club of the Pittsburgh Airport Area. Special thanks are extended to Trustee Keith Smith, Cathy Szymanski and all the other Kiwanis members who nurtured this new group of Kiwanis members and brought them into the Kiwanis family of clubs.

Shortly after, Judy and I were onto another convention. This time, our district convention in Valley Forge was the destination. I felt it important to begin to build a relationship with our Kiwanis International Trustee/Counselor Koshiro "Kit" Kitazato. Kit and his wife, Fusae, arrived in the US a few days before our district convention

and Judy and I were honored to host them in our home. During their visit, they enjoyed seeing central Pennsylvania to include a day trip to Gettysburg. Members of the Norlanco-Rheems Club enjoyed having Kit as their guest during a meeting. I extend my compliments to the convention host committee for planning and executing a great convention. Comments that heard during and after the convention were very complimentary. I have received a copy of our Trustee/Counselor's report to Kiwanis International (see attached). Kit remarked how well our convention was executed. Additionally, I especially thank all those who made the Governor's Dinner such a special event.

My sincere appreciation is extended to Immediate Past Governor Mark Mishinski for saving our Club Leader Education program for this year. Governor Mark readily accepted my request to fill the important role of Master Trainer for the District picking up the responsibility from Tom Comeda who had to resign from this position due to increasing career pressures. Additionally, my thanks are extended to our Trustees for scheduling and to those Kiwanians who stepped up to serve as instructors for the live CLE sessions that were conducted before and after our District convention.

I continue to participate in Leadership Conference Calls with International President Designate Dr. John Button. These calls serve as our compass keep me on track with the myriad of tasks associated with serving as your Governor. I participate in other regularly scheduled conference calls relating to the Formula. One of these calls is a USA Region 1 Formula Team call hosted by Lanton Lee and Denny Kiroff, our Region 1 Growth Chair. It is inspiring to hear the growth activity taking place throughout our Region. The second call is hosted by Cathy Szymanski and is quite uplifting as Cathy and her team celebrates the accomplishments and progress toward strengthening and open new clubs in Pennsylvania.

After recovering from a busy couple of months, September turned out to be not too much different. With October 1st approaching fast, I reviewed the status of Regional meeting plans for the Fall Governor's visits. Thanks to some great proactive planning by our Trustees, all Fall Regional meetings have been scheduled and details are being finalized for these important events.

More recently, I attended and installed club officers at the Charter Presentation Dinner of the Kiwanis Club of Liberty. I appreciate all that was done to open this new club. Congratulations to the club officers and members and thank you to the Kiwanis members who participated in opening this club.

The last of our Lieutenant Governors received training when I participated with Executive Director Kevin and conducted make-up training for Bill Ritter from Division 13S.

This month, I attended Circle K District Fall training at Drexel University. Circle K Governor Heather conducted a similar session the prior week at Duquesne University. Her program at Drexel was well attended with about 30 Circle K officers from several colleges and universities. I was impressed with the content of Heather's training program and the passion exhibited by the Circle K District staff who presented the program.

October and November will present the Fall Regional meetings and continued installations of new club officers. I am looking forward to participating in these events and spreading our District good news.

Signed

Suggestions for the District from the Board Counselor, September 14, 2014

SUGGESTIONS FOR THE DISTRICT FROM THE BOARD COUNSELOR

DISTRICT Pennsylvania

DATE OF CONVENTION August 21-24, 2014

LOCATION OF CONVENTION Radisson Valley Forge

List below any observations or suggestions that you, as the Board Counselor, wish to make to the district. Please share this information directly with the district.

1. I was very impressed with very friendly atmosphere of your convention. Perhaps one of the reason will be that you have nearly half female members coupled with lots of family members. You have good team which you can be proud of.
2. I think the priority of the Pennsylvania District will be membership growth. Fortunately you have made steady monthly growth this year. You should keep this momentum on the new year. Your strategy of using Lt. Governor for this initiative is right. Make active use of Formula training to set right mind-set on the membership strengthening. Without strong membership, you will not have good services.
3. It is disappointing to know that some of the clubs are refusing to participate in the Eliminate Project. I believe that Kiwanis should support not only their own community but also global community. Our mission is to serve children of the world. Our contributions to global community will eventually come back to us. But the change of mind-set for this will be a big challenge. With only one year left up to the closing time, you should make your effort to upgrade your status aiming at your challenging goal.
4. I understand "Early childhood development" is your signature project. I believe this subject will get common interest among Kiwanis community. Please share your progress with other districts, which will benefit Kiwanis International as a whole.
5. If you are interested in Kiwanis doll project, Japan district team will be happy to share their experiences with you.
6. Centennial E-Kiwanis Club started by you as its President is very interesting challenge, which could become good model for other district. Please share your experiences with us, so that we could learn from your challenge.

Signed: Koshiro Kit Kitazato
International Board Counselor

Trustee Board Reporting Form

Name:	Keith Smith - Sept 2014
Region:	2
Divisions:	4, 5, 6 & 8
Lieutenant Governors:	4 – Sandy Brackin 5 – Tracy Smith 6 – John Mazurowski 8 – Brian Root

Describe your region new club building activities:
The Pittsburgh Airport Area Club was chartered on August 5, 2014
Describe your region activities to support and strengthen existing clubs:
Washington has asked for help. Cathy & David Szymanski met with them on Thursday, Sept 18 th but have not talked to them yet. I am meeting with Baldwin Club's incoming President Phil Marsolf and have sent him the club analysis sheets. Haven't heard anything new regarding the New Sewickley Club.
Describe education activities in your region:
Nothing to report.
What is your region doing to support youth/SLP:
Nothing to report this quarter. The Airport Club may try and get a Builder's Club going and a Circle K Club at Robert Morris.

What should the board be aware of in your region
Washington, Glenshaw appear to be in trouble and we have met with Washington Club, Glenshaw is stagnant. Allegheny North is stagnant but Bob Marko will be President again this coming year and we have already begun to talk about new membership drive. The Oakland Club has decided to be a club satellite w/Sheraden.

Other information for the board
Still have no candidates for LTG for any Division in my region. May need District intervention as Bob Bagan's has told me that they will NOT give up the Moon Key Club. I told him that that is not his decision but the district's. The Airport club has an advisor and is willing to do a joint effort this year but expects to have full reign of this club next year. Again Bob has publicly stated otherwise.

Education Committee Report to the District Board

Since the resignation of our past district education chair person, the committee has been engaged in providing club leadership education live sessions to clubs without the benefit of much prior planning. The emphasis has been to get the job done in the best and most efficient manner possible. To this date, I am aware of live sessions completed in Regions 3, 4, 5, 6, and 7. I am not sure if the sessions were completed in Regions 1 and 2. Additional president and secretaries sessions were conducted at the Valley Forge District Convention. In all cases, this training was accomplished by providing live sessions without the oversight of a Certified Kiwanis Trainer due to no recertification forms being sent or approved by the master trainer.

I would like to express my personal thanks to all of the trainers, lieutenant governors, trustees, Governor Bob Raub, Kevin Thomas and all members who made this training possible. You all helped get the district through a very difficult and time crunched situation. Thank you!

The Education Committee will be focusing on the following areas of concern:

- Completing all paperwork with Kiwanis International crediting all members who have completed Kiwanis Club Leadership Training.
- Getting all paperwork for recertification of Kiwanis Certified Trainers completed, approved and sent to Kiwanis International as soon as possible.
- Increasing the number of Kiwanis Certified Trainers in all regions with the goal of conducting all education sessions with certified trainers.
- In compliance with the Pennsylvania District Strategic Plan, compile and when necessary develop specific resources to be included in a Pennsylvania District specific education component that will be presented at all Club Leadership Education Live Sessions. Specific resources of this component will include, but not be limited to:
 - District Office contact materials and resources for clubs and club officers.
 - Current scale of dues for existing and new members of a Kiwanis Club.
 - District Yearly Goals.
 - Yearly schedule of Pennsylvania District and Kiwanis International events, meetings and conventions.

Current members of the Education Committee are:

- Alice Arnold - 717-436-9474 - aarnold@co.mifflin.pa.us
- Dale Brackin - 412-486-3563 - dbrackin@fangorn.com

- Rose McFee - 610-796-8313 - rmcfeepsu@aol.com

In conclusion, the education committee will be focusing on transforming Kiwanis Education in the Pennsylvania District to become a seamless extension of education components from Kiwanis International.

for a spacious basket room and the ability to visit with old friends and make new ones in that venue. I
think a good time was had by all who attended.
Sorry that I was only available Saturday to attend.
Hotel accommodations were not good. My problems were with the hotel, not Kiwanis.
Please include hotel GPS (street and number) on final mailing directions page.

Overall the convention was done very well and Kiwanis office communications were handled well. You
have it together!

The elevator service at the hotel (2 of 3 not working) was most frustrating... I think it was unacceptable.
The chicken was dry at the govenors banquet. I didn't like the comedian at the govenors banquet
because she picked on people.

Elevators being out of service was a big inconvenience.

We need to streamline messages. Same messages were being shared at each session verbatim at the Lt. Governor and Chairs Meeting, Business Session, and Dinner Session as well as in workshops. Sometimes it was really overkill for the people there. I feel a lot of times the folks in the room get it. It is the folks not in the room who don't (aka folks who didn't attend the convention).

Sessions need to be kept professional. I sometimes wonder if I brought a friend outside Kiwanis what they would think of some of our presentations. I fear we would "scare" them away. While we may think some are funny because of the people involved, they really sometimes are not.

Sessions need to be kept to a 2 - 2 1/2 hour max. People lose attention after that and it isn't fair to the presenters nor the folks watching.

Entertainment on Saturday night was not appropriate for Service Leadership who were in the room. While funny, I was embarrassed that they had to see that.

Kudos to the host committee for a job well done with the organization of events and activities.

The Governor's Banquet is as drawn out as the Academy Awards. The evening started at 6:00 P.M. and the entertainer started at 9:40 P.M. Something has to be done to make that program more streamlined and enjoyable.

Governors Banquet... took far too long to accomplish leadership installations. Must eliminate an outside speaker or shorten the installation process.

Speaker has moments of humor, but content was not edifying for Kiwanians and certainly not families. I would have left before that part of the program had I known the language and innuendo that would be part of the content.

Common areas where Kiwanians gather - provide seating areas. I liked the set up this year --- especially the displays and basket room. Well organized and good signage. Thanks to the committee for all their hard work.

It would be nice if we had different forums. We have had the same forums for the past couple of years. Let's mix it up.

Also, I very much enjoyed the cocktail reception prior to the Governor's Banquet. However, I believe that most Lt. Govs/Trustees do not want to sit at reserved tables, but with their clubs. I believe there should be a reserved table for the governor, and governor-elect. There should also be reserved seating for the service leadership members. Other than those three tables, the seating should be open so that attendees may sit with their clubs.

The dang hotel elevators- however walking up the stairs was probably better for me... I donated blood; the people that ran it were tired and worn out. No vitality in support of the Red Cross. Certainly not a reflection of Kiwanis though.

The committee did an excellent job.

I would suggest that the individual clubs making award presentations at the Gov Banquet be limited to the Saturday evening speaker was unacceptable for some of the audience, very funny lady but not acceptable. WiFi and elevators were major problems.

My first Convention... enjoyed it very much!

MESSAGES AND ALERTS

Beginning 8/1/14, your account will be subject to interest charges on any cash debit, negative cash, balances. The interest rate is National Financials base lending rate, NFBLR, plus 2.25 percent. A debit balance occurs when, for example, there are unpaid fees or other charges in your account and there is not enough cash in your core money market to cover the charges. Large debit balances may result in assets being sold to cover the negative balance. If your account is already approved for margin, this new interest charge does not apply as your account is already covered under the margin interest rate schedule. If you have any questions, please contact your Registered Representative.

Purpose: To gather Kiwanis members during the holiday season for Fellowship, Service and Fundraising.

Date: Saturday, December 13, 2014

Time: To be determined

Where: District Office

Who: PA Kiwanis members and their significant others

Price: \$30

*Food & Beverages are taken care of by the committee.

*Baskets for raffle are made available by a few Kiwanis Clubs and members

*In house only 50/50

*Service collections for organizations to be determined

Last year we made a profit of \$1526.13 for the District.

- Save the date sent earlier and announced at all Regionals
- A Saturday should increase attendee count

PROCEDURE TO BE FOLLOWED FOR NEW DISTRICT BYLAWS

Certainly, we will need to adopt the new standard form for District Bylaws. But it isn't as straight up simple as that. We will need to consider whether those things presently in our bylaws but not in the new form should be included in the new bylaws or not included and simply put in policy. And then we will need to decide how we are going to approach this in terms of its adoption at the convention. This should be completed by the April Board meeting.

And then the Policy Code needs rewritten from start to finish to include those provisions, take out those things no longer relevant to the Kiwanis world in which we operate today and to be a more meaningful document. This should include a review of Board meeting minutes for at least the last ten years to include those things that were approved by the board that are now District Policy. This should be completed by the July Board meeting

STRATEGIC PLAN

YEAR END REVIEW 2013-2014

HOW THIS REVIEW WAS CONDUCTED

The Pennsylvania District Board has commissioned a review of the Pennsylvania Strategic Plan at the district board meeting of July 12, 2014. This report presents the findings of that commissioned review.

Data used in the preparation of this report were gathered from the Pennsylvania District of Kiwanis International Strategic Plan of 2013, Kiwanis International prepared documents and online resources, Pennsylvania District of Kiwanis International documentation and online resources.

The Pennsylvania District of Kiwanis International Strategic Plan of 2013 is divided into five areas of excellence spanning the administrative years 2012-2013 to 2016-2017. Each area of excellence was examined separately comparing the stated district goals with actual Pennsylvania District performance over the past two years when performance data is available. The following sections are the findings of this review.

AREA OF EXCELLENCE NUMBER 1 - MEMBERSHIP

GOAL NUMBER 1 – TO REVITALIZE EXISTING CLUBS:

1. Objectives 1, 2 and 3 are either complete or are in the process of being finalized as a part of the Kiwanis International Global Campaign for Growth (i.e. The Formula). The Formula has necessitated a slight change in the annual review of these positions due to the five year commitment of the members who are currently in place as the District Growth Chair, Regional Club Builders and Regional Growth Teams. Additionally, The Formula has mandated that the growth teams be constructed as Division Club Builders and Division Growth Teams
2. Objective 4 has been incorporated into The Formula Campaign where the current district leadership will be vital components of their division Formula Teams.
3. Objective 5 is no longer necessary since The Formula has provided opportunities for all clubs to develop and enlist Formula Team focus into strengthening Kiwanis Clubs.

GOAL NUMBER 2 – TO BUILD NEW CLUBS:

1. Objectives 1, 2 and 3 are either complete or are in the process of being finalized as a part of the Kiwanis International Global Campaign for Growth (i.e. The Formula). The Formula has necessitated a slight change in the annual review of these positions due to the five year commitment of the members who are currently in place as the District Growth Chair, Regional Club Builders and Regional Growth Teams. Additionally, The Formula has

mandated that the growth teams be constructed as Division Club Builders and Division Growth Teams

2. Objective 4 has been incorporated into The Formula Campaign where the current district leadership will be vital components of their division Formula Teams.
3. Objective 5 is being accounted for by the Formula Teams looking at all sites where Kiwanis Clubs may be established.

GOAL NUMBER 3 – TO RECRUIT KEY CLUB AND CIRCLE K GRADUATES INTO KIWANIS CLUBS:

1. Objective 1 is complete with the appointment of an Service Leadership Alumni Coordinator.
2. Objective 2 is an ongoing process that was begun during the 2013-2014 administrative year. CKI and Key Club members were provided information about the International Alumni Associations at their respective district conventions. Additionally, graduating senior contact information was collected from interested members who wish to remain in contact with the K Family
3. Objectives 3 and 4 have not begun at this time. Currently, there is no vehicle to easily link a graduating SLP member to a Kiwanis Club. Although, the International Board of Trustees has made membership in a Kiwanis Club easier, less expensive and hopefully more attractive for graduating SLP members with actions taken in 2014.

MEMBERSHIP TARGETS:

1. 2012-2013 target was 5,000 members. The actual membership total for the year as of September 2013 was 4,131 members which was a substantial loss in membership of approximately 500 members according to Kiwanis International.
2. 2013-2014 target is 5,250 members. The actual membership total for the year as of the August 2014 membership report was 4,282 members which reflects a growth in membership of 151 members to date.
3. In conclusion, neither goal is reflective of the actual district membership at this time and appears to be unrealistic given the past five year performance of the district. **A revision of these targets is warranted.**

AREA OF EXCELLENCE NUMBER 2 - SERVICE

This entire area of excellence is void of any goals. The objectives listed in the area appear to be written in the form of goals; however, objectives 2-6 are not measurable. Objective 1 does call for an increase of service hours by each club at the rate of 10% increase; however, this information was unavailable for review. **The format of this area made it unreviewable. A revision is warranted.**

AREA OF EXCELLENCE NUMBER 3 - LEADERSHIP

GOAL NUMBER 1 – DEVELOP A LEADERSHIP PROGRAM AND METHOD FOR DELIVERY THROUGHOUT THE DISTRICT:

1. Objectives 1 and 2 have been provided for us by Kiwanis International in many areas from club leadership, membership development, youth protection and many other areas. We need to use what is available more effectively.

GOAL NUMBER 2 – IDENTIFY POTENTIAL NEW LEADERS AND CULTIVATE NEW LEADERS AND MEMBERS IN COMMUNITY:

1. This is being done at many levels of the organization, but in most cases, it is simply done when a vacancy becomes available or the need arises.
2. The process of identifying leaders needs to be extended farther in advance of crunch time.

LEADERSHIP TARGETS:

1. 2012-2013 target was: Identify potential new leaders and cultivate new leaders and members in community
2. 2013-2014 target was: Identify potential new leaders and cultivate new leaders and members in community and Identify potential new leaders and cultivate new leaders and members in community
3. Agreed – both of the targets need to be accomplished with appropriate lead time so the proper training can be completed.

AREA OF EXCELLENCE NUMBER 4 - ADMINISTRATION/GOVERNANCE

GOAL NUMBER 1 – PROVIDE MEMBER EDUCATION:

1. Objectives 1, 2 and 3 are currently being provided to the district by Kiwanis International and the Pennsylvania District Education Committee.

GOAL NUMBER 2 – PROVIDE CLUB LEADERSHIP EDUCATION TO THE DISTRICT:

1. This goal is currently being provided to the district by Kiwanis International and the Pennsylvania District Education Committee.
2. Club Leadership Modules have been updated by Kiwanis International.

ADMINISTRATION/GOVERNANCE TARGETS:

1. Administration/Governance targets for this area of excellence do not exist.
2. **A revision of this area is recommended.**

AREA OF EXCELLENCE NUMBER 5 - FOUNDATION

GOAL NUMBER 1 – TO GROW THE PA KIWANIS FOUNDATION:

1. Objective 1 is in the process to reach 1 million dollars. As of June 28, 2014, the foundation portfolio was at \$815,588 which was a ten year gain of \$30,294.
2. Objective 2 is to increase the number of contributions to the foundation. Empirical data to assess this objective was not available.

GOAL NUMBER 2 – PROFESSIONALIZE THE PA FOUNDATION:

1. Objective 1 to hire a part time staff person in the district office cannot handle the business of the foundation has not been done. The district office continues to handle foundation business.

GOAL NUMBER 3 – STRENGTHEN DISTRICT PROJECTS (THE EARLY CHILDHOOD LEARNING PROGRAM):

2. The foundation continues to provide needed financial support for the early learning initiatives of the Pennsylvania District.

FOUNDATION TARGETS:

1. 2012-2013 target was: \$750,000 by September 30 and 20 new Legacy Society members
2. 2013-2014 target was: \$800,000 by September 30 and 20 new Legacy Society members
3. Both year target goals have been met and the foundation continues to do well. No revisions recommended. Well done.

IN CONCLUSION

THIS STRATEGIC PLAN HAS GREAT VALUE TO THE DISTRICT AND CAN SERVE AS A COMPASS HELPING TO GUIDE FUTURE DECISIONS OF THE DISTRICT BOARD AND LEADERSHIP. A TREMENDOUS AMOUNT OF TIME, EFFORT AND WORK WENT INTO THE FORMATION OF THIS STRATEGIC PLAN. IT IS A TESTAMENT TO THE DEDICATION OF THE MEMBERS WHO SERVED ON THE COMMITTEE TO DEVELOP IT. SINCE THE PURPOSE OF A STRATEGIC PLAN IS TO SET THE COURSE FOR FUTURE PLANNING, INVAIABLY SOME ADJUSTMENTS MUST BE MADE MID COURSE. WITH THIS IN MIND, THE FOLLOWING SUGGESTIONS ARE MADE:

- The language and terminology of this document should be revised to comply with the current Kiwanis International and Pennsylvania District standards of branding and program language.
- **Area of Excellence 1 – Membership** targets should be revised to reflect the current state of district membership to make them reasonable district goals.

- **Area of Excellence 2 – Service** should be revised to reflect accepted goal/objective format writing.
 - Goals in area 2 need to be written in a way that they can be measured for assessment.
 - A complete rewrite of this Area of Excellence is warranted.
- **Area of Excellence 3 – Leadership** should reflect an extended lead time in identifying future club, division, and district leaders. A stated pathway and mechanism should be developed.
- **Area of Excellence 4 – Administration/Governance** should reflect the resources provided by Kiwanis International and the resources developed and provided by the Pennsylvania District.
- The Pennsylvania District Board should commission future yearly reviews of this strategic plan.
- The Pennsylvania District Board should yearly revision of the Strategic Plan as necessary.

RE: Kiwanis Early Learning Efforts, Guide and Fund

DATE: September 16, 2014

I wanted to take a few moments to update you on our efforts and work in the area of Early Childhood Learning and Development.

We continue to advocate, provide resources and educate for the benefit of the youngest children in Pennsylvania.

Kiwanis in Pennsylvania continues to work and partner with the Pennsylvania Early Learning Investment Commission as a strategic partner of the Commission. Kiwanis is represented at all state-wide Commission meetings and Commission members participate in many Kiwanis sponsored presentations. Commission members have joined Kiwanis and through the Commission, Kiwanis is well recognized in Pennsylvania State Government for its work in the area of Early Childhood Education and Development. While I will touch on our learning guides program shortly, our association with the Commission has brought us the program and strongly leveraged the dollars we have invested in the program.

There have been nearly 65 Kiwanis sponsored presentations across Pennsylvania including community symposiums in Bradford, Upper Bucks County and Meadville. The Bradford and Meadville presentations were attended by over 100 community members and were the impetus of 20 or more people joining Kiwanis.

Because of our work and leadership in this area, Pennsylvania has been asked to provide leadership to the Kiwanis International World. In 2012-13, 2013-14 and again in 2014-15, I have chaired or been asked to chair the Kiwanis International Young Children Priority One Committee. Additionally, Carlisle Kiwanian Nancy Fishman has been appointed to the committee. Nancy works with and for the Early Learning Investment Commission.

Additionally, the First Annual Kiwanis International Conference on Early Childhood Development, held in Louisville, Kentucky on April 15, 2013, was a Pennsylvania Kiwanis spearheaded effort as will be the second conference in Indianapolis, Indiana on September 30, 2014. Additionally, Kiwanis International is a signed supporter of the Strong Start Act, the first time Kiwanis International has signed on as a supporter of a piece of legislation.

Kiwanis Clubs and Kiwanis members continue to read to children across Pennsylvania and distribute books. In the last 12 month period, over 800 Kiwanis members read to over 22,000 children.

In the area of advocacy, over 100 Kiwanis Clubs wrote to their State Representatives and Senators during the latest State government budget debate expressing their support for the programs in the State budget that support quality early learning and development opportunities for young children. The good news here is that the Kiwanis efforts combined with the Early Learning Investment Commission and other groups and organizations across Pennsylvania helped procure funding increases for virtually all items in the state budget dealing with early development and learning.

Kiwanis Clubs are increasingly partnering with child care facilities and providers across the District; several clubs have "adopted" centers; some of the clubs which have been particularly proactive in this area include State College, Meadville, Nittany, Lewistown and Dillsburg.

Kiwanians are, also, receiving information on and being asked to support the Pre-K for PA program, which would insure quality early education opportunities for all Pennsylvania Children. Kiwanis in Pennsylvania is a supporting organization for this campaign. Bill France, president of the Nittany club, is a co-chair of the efforts being conducted in Centre County.

Finally but certainly not least, we continue to be involved in the distribution of the early learning guides, "Learning is Everywhere" and "Kindergarten Here I Come". With the generous support of the Pennsylvania Kiwanis Foundation, Kiwanis Clubs and Kiwanians, we have funded and printed 100,000 guides and have distributed 88,500 of those to Pennsylvania families. **That means we have reached over 88,500 households across Pennsylvania with these important learning resources (that have the Kiwanis logos) at no cost to those families.**

We have reached into 55 of Pennsylvania's 67 Counties with these guides. The 13 we have not reached are: Lawrence, Beaver, Washington, Greene, Cameron, Potter, Bedford, Fulton, Susquehanna, Wayne, Pike and Wyoming.

Enclosed you will find a donation/pledge card for the Kiwanis Children's Early Fund. While we have enjoyed success with the guides and made a real impact, that program and our other efforts with early learning cannot continue without the financial support of Kiwanis Clubs and Kiwanians. **We hope you and your club will consider making a pledge or donation by submitting the enclosed form.** Last year, 10 Kiwanians and 19 Kiwanis clubs gave or pledged \$23,144 to the fund.

I am pleased to provide you this update. Five years ago, we were doing little in this area. Now we are helping to lead a movement. We should all feel proud of the difference we are making! Thanks for taking the time to read this.

Subject: Pre-K for PA Leadership Council

Dear Kevin,

In January, ten leading nonprofit organizations launched Pre-K for PA as a nonpartisan issue campaign to make expanded access a key issue in the upcoming state elections. Pennsylvania's early learning investments have been proven effective, but publicly funded programs currently reach just one in six children. The effort has quickly attracted 410 organizations and 7,000 individuals who support a common goal: ensuring that all Pennsylvania children can enter school ready to succeed by making high-quality pre-k accessible to every 3- and 4-year-old. Your organization has committed as one of our essential partners.

On behalf of Pre-K for PA's leadership team, we invite you to join us as members of the campaign's Leadership Council to demonstrate public support for high-quality pre-kindergarten as a critical priority for Pennsylvania. This group will include the Commonwealth's top leaders across business, civic, education, law enforcement and even national security sectors in regions across the state. You are a very fitting choice to serve in this important role.

In joining the statewide Leadership Council, you are allowing us to use your name and title in public documents as a supporter of this important effort, in addition to your organization's name.

The sole commitment for participants is to lend your name as a Leadership Council member in Pre-K for PA materials. You will also be asked to consider co-signing a public endorsement letter in September, invited to special campaign briefings, and encouraged to leverage your networks as you are able to advance this important work.

We hope to count on your support. To sign on please reply to this email or call me to discuss.

Thanks so much for your commitment to PA's children.

Best regards,

Joan

Hello Kevin!

Here is a list of the clubs in your district that have submitted bylaws for KI for approval.

In the approved column you will see an Y, X or N.

The Y means their bylaws have been approved

The X means they are working on the bylaws but they have not been submitted yet.

The N means their bylaws have been denied.

I hope this information helps!

Take care and have a great day!
René

We look forward to helping you any way we can, so please call or email anytime!
